

## SPECIFICATIONS

PRODUCT: MANHOLE GUARD

PART NUMBER: BBMHG0137

\*\*\*winches not included

### GENERAL DESCRIPTION

The ButlerBilt manhole guard was built with Safety in mind. Made of the best materials on the market, it has much to offer. Its simple design makes for all around easy use. Its patented independent locking arm system once engaged keeps the manhole guard square and locked in position at all times, prohibiting “kicking out” during a rescue procedure. Also, the patented secondary winch attachments keep things light and user friendly plus they can be stored practically anywhere.
